Conference Facilities

Glasfryn Parc is North Wales' premier activity centre and a superb location for conferences and corporate events.

Facilities

The Conference Room seats up to 30 delegates and has a projector and pull-down screen for presentations. Bookings are taken for mornings, afternoons, evenings or a full day.

Should you have a larger group, the new Dining Room will seat up to 80 people for a lecture-style conference and can also be booked at certain times.

If you would like to incorporate either team-building activities or just a fun element into your corporate outing please let us know and we'll be happy to put together a suggested itinerary.

There are five self-catering cottages on the Glasfryn Estate should you require a location for a brain-storming session or overnight accommodation.
